

**Brenda Mallon – Board Member**

I have lived in Manchester since I was one year old and in Didsbury for many, many years. I love living here and would like to make more of a contribution to Didsbury village by joining the new DAF Board.

I am a counsellor with an independent practice in Didsbury and the author of eighteen books including 'The Dream Bible', 'A Year of Creativity' and 'Working with Bereaved Children and Young People'. I believe that my experience in many creative fields will help support the work of DAF and with those who contribute to the festival. I hope my enthusiasm and energy will be a positive asset to DAF.
